June 16th

Mark your calendar for the June 16th Community Workshop and help determine what will make this a true “neighborhood park!”

The Fields Community Workshop

Saturday, June 16, 2007
9am - 3pm

Meet at the Pinnacle Pavilion (NW 10th & Overton) at 9am for an orientation. Then embark on an “Awareness Walk” through the Pearl’s parks and adjoining spaces. Return to the Pinnacle and, reflecting on observations from the Awareness Walk, collaborate with fellow residents to craft a vision for the Pearl’s new neighborhood park. All ages welcome.
